

Hazelden Celebrational Offer

terms & conditions

Celebrating our move into our new purpose built and high tech Eye hospital, we have a promotional offer for those seeking vision correction:

10% discount of laser vision correction (including IntraLASIK), cataract surgery, and refractive lens exchanges and ICL/Artisan

It is a considerable saving, but subject to the following terms and conditions:

- Surgery must be strictly booked before the 1st September 2009 and the promotional code "2004" MUST be quoted at the time of booking.
- The offer is not available to patients wishing to use one of our Easy Payment Plans, Finance options or any form of insurance
- Spaces are limited and bookings can only be made on a first come, first serve basis.
- Our usual surgery terms & conditions still apply.

LASER VISION CORRECTION PROCEDURES

	Standard price	Promotional price	Saving
IntraLASIK	£1,775 per eye	£1,597 per eye	£178
IntraLASIK Zyoptix Tissue Saving	£1,975 per eye	£1,777 per eye	£198
IntraLASIK Zyoptix Aspheric	£1,975 per eye	£1,777 per eye	£198
IntraLASIK Zyoptix Wavefront	£2,250 per eye	£2,025 per eye	£225

A deposit of £250 per eye is required to secure a date for the procedure and the balance is payable on the day of surgery. If found to be unsuitable for surgery a full refund will be given.

Our IntraLASIK surgery prices are global and include the following:

- a. The procedure.
- b. All necessary post-operative visits within a twelve month period after the procedure. (Patients are typically seen within a few days after surgery, then at one month and six months, all being well following surgery.)
- c. Enhancement / Retreatment within one year of the initial procedure. A need for enhancement is typically known one month after surgery and will be at the earliest performed three months following surgery and once the eye is stable.
- d. Eye drops. Anti-inflammatory and antibiotic eye drops necessary as prescribed by your surgeon after surgery. An initial pack of artificial tears will be provided if necessary.

CATARACT SURGERY, REFRACTIVE LENS EXCHANGES & ICL/ARTISAN (Self-pay)

The prices for these procedures are global and include the following:

- a. The surgeon's fee.
- b. The hospital fee, including day-stay accommodation. If overnight accommodation at the hospital is required an additional fee of £175 will be incurred.
- c. The anaesthetist's fee.
- d. Surgery disposables and materials fee, including the standard or added value lens.
- e. Sixty days post-operative care (6 months for Intacs, Ferrara Rings, CXL).
- f. Eye drops. An initial pack of anti-inflammatory and antibiotic eye drops necessary as prescribed by your surgeon will be provided after surgery. If necessary, repeat prescriptions are at your own expense.

If additional procedures are necessary following your surgery, every effort will be made to keep costs to a minimum.

If a lens deposit is not required for your surgery, a deposit of £250 per eye is required to secure a date for the procedure and the balance is payable on the day of surgery. If found to be unsuitable for surgery a full refund will be given.

Please note, you may require periodic eye examinations beyond the sixty days inclusive fee period. Intervals for further examination may vary, based on the surgeon's decision. These include appropriate investigations and will be charged at the prevailing rate for a follow-up visit. The promotional offer only covers the cost of surgery and all consultation/investigation charges will be at the normal rate.
